

As owner of House of Health & Skincare Welkom and House of Health & Skincare Parys, I am very proud to say that I'm a stockist of Lamelle!!

Lamelle opened a brand new world for us and just shows the industries that you must always stay ahead with new technology!

The recombinant growth factors concept makes Lamelle unique and the results that are achieved by this special product amazes all expectations.

Out of a business point of view, Lamelle just grows bigger day by day! We cannot keep up with products!!! Luminesce is a winner!

Salon treatments are amazing to work with, because for the first time ever you can be sure of results, no matter what. The roller system together with hyaluronic acid ensures great anti-ageing results.

Lamelle's training is absolutely informative and from outstanding quality!

My motto when it comes to my work and business is always "You can NEVER know enough – there will always be something new to add to your knowledge" – and Lamelle always adds some valuable information.

Lamelle,

Thank you for excellent training & advice, a top product and your professionalism!
